**ROTHES UPRIGHT**  
Grand champion bull at the 1951 Show and Sale. Bred and shown by Geo. Fisher & Sons. Sold for \$1950.00 to Northeastern Ohio Breeding Association, Tiffin. Service sire to Lot 44. Sire of Lot 42.

## FOREWORD

For many years the territory of which Auglaize County is the center has been a stronghold of Shorthorn interest. The breeders in this district comprise an active and constructive organization whose aim is the production, showing and merchandising of progressively better Shorthorns. How well this purpose has been achieved may be judged from the many animals of state and national prominence which have originated here. A few of these are pictured here. And many others which have gone through the public sales have brought distinction and profit to their new owners.

Early appreciating the public auction as the best means for the appraisal and selling of cattle, this organization has held 35 annual sales, and is presenting its 36th renewal on April 28. Thirty-two of these sales were held under the devoted direction of the late W. H. Steva who retired three years ago. In this sale these breeders are offering 65 head which will rate among the best. The bulls are carefully selected individuals with the breeding strength to transmit their merit. And never before have they offered so many females of real foundation quality.

The progress of Shorthorns in this district is due largely to the succession of good bulls that have been wisely used. The foundation was laid by such nationally recognized sires as Browndale Commander, Browndale Stamp, Taana Goldspur, Broadhooks Leader, Conner's Keystone Ransom and Golden Oak Prince Peter. These have passed from the scene but their influence continues. Their ranks have been filled and progress assured by such proven sires as Edellyn Express Mercury, Glasstullich Eagle, Ransom's Diamond, Shore Acres Dunrel, Kickapoo Metaphor, Woodshade Ideal Mercury, Crichton Omaha, Edellyn Royal Leader 69th, Aldsworth Passenger and others. During the past four years the world-famous Pittodrie Upright has served in this district and his blood is strongly infused in the fabric of local herds. Several of his sons are also giving evidence of successfully carrying on this prepotent bloodline.

Strong herds are founded upon and improved with consistent bloodlines. This improving inheritance characterizes the excellent lot of cattle we are submitting for your appraisal on April 28. The sale committee has maintained high standards of selection which have resulted in an offering of Shorthorns that will help ambitious breeders come closer to their aims.

We cordially invite you to be with us.

UPRIGHT GOLDSPUR is one of the very good sons of Pittodrie Upright and we have been very hesitant about selling him as we feel he has many characteristics of a good sire. Part of our confidence comes from the record made by another son of this calf's mother. Her first calf was Morlunda Prince Peter and he established a very good record in Iowa. Clausen Bros. using him some and had a winning Sr. Yr. by him at the International that sold for \$2000. Upright Goldspur is a lowset smooth calf with thick hind quarters and a leg on every corner. We have used this bull a good deal and he is not in high condition. We have several cows and heifers in calf to him.

**KONETA PASSENGER**—An exceptionally thick, low-set bull with a lot of bone. He is sired by Imp. Aldsworth Passenger and out of the grand foundation cow, Watt Acres Emma, by Edellyn Goldfinder.

N. B.—I regret that we do not have a photograph of Aldsworth Passenger, the sire of the large and strong consignment from Ohler Bros. in this sale. He was imported by the late F. W. Harding and for the past three years has been chief stock bull in the Ohler herds where he is making an enviable record. He is sired by Aldsworth Barbarian, first prize winner at the English Royal at Lincoln in 1947 and reserve for the Argentine Cup; he in turn, sired by Millhills Fair Arthur, second in the April class at Perth, 1944.

ELECTOR'S GLOSTER is by a son of Pittodrie which has sired for us a nice set of calves. This heifer is out of a grand daughter of Divide Grand Duke and Klaymor Diamond. She is a lowset square legged heifer that is well along in calf to our chief herd sire SHORE ACRES DUNREL. We now have a grand group of about 25 calves that make us confident that he will earn a place on the honor roll of successful sires. The dam of this heifer now has a very promising January heifer calf and I'm sure the new owner of Elector's Gloster will beam with pride when she delivers a nice calf along next September.
